

EFFECTIVE: 01 MAY 2024

NEW FIXED-BASED OPERATOR AT THE GENERAL AVIATION TERMINAL AT QUEEN BEATRIX INTERNATIONAL AIRPORT (TNCA)

Since January 1, 2023, "JET-TNCA" FBO by Aruba Airport Authority N.V. is the official fixed-based operator at the general aviation terminal of the Queen Beatrix International Airport (TNCA).

The following services are provided:

- (a) Aircraft fueling
- (b) Aircraft guidance, parking and tie down
- (c) Pilot and passenger facilities
- (d) Information services
- (e) loading/unloading of aircraft
- (f) Catering services
- (g) Destination services
- (h) Ground services (aircraft towing, baggage handling, power starts, air starts, lavatory services, potable water, aircraft cleaning and cabin supplies)
- (i) Removal of and assistance to disabled aircraft

Before departing to Aruba, all general aviation traffic should make prior arrangements with JET-TNCA, to ensure a parking position upon arrival.
