
EFFECTIVE DATE: 19 September 2023

TNCC - Airfield marking project on the movement area

The purpose of this Supplement is to indicate that an airfield marking project will take place starting on September 19th, 2023 and will conclude on Dec 30th, 2023. All markings on the movement area will be renewed. Different parts of the Movement Area will be closed based on the painting activity to be executed.

The following work will take place during the project.

Civil work:

- Paint removal
- Paintwork

The type of equipment on TWY during project.

- Spray paint equipment
- Paint Removal equipment (Water Blaster, Trailer, and Tractor)

Operation

NOTAMs will be issued to indicate the exact dates of closure for the different work areas. Work area will be closed off with safety barrier and obstruction lights.

This AIP SUP 27/23 – TNCC - **Airfield marking project on the movement area** hereby supersede AIP SUP 08/23 – TNCC - **Airfield marking project on the movement area**.
